The Hangover
Our ultimate burger for the morning after or the night before.

Mad Max
Beef burger, two types of cheese, onion rings thrown in on a brioche slathered in sriracha sauce so it's little bit spicy.

The Castle
It's the original Jack Burger. Beef patty, lettuce, cheese, tomato, bacon & fried egg and chips.

Priscilla Queen on the Desert
She is a little sweet this one but still packs a punch. Chicken breast soaked in buttermilk, rolled in flour & deep fried. Served with tomato, lettuce, cheese & sweet chili mayonnaise. Yum

Underbelly
It's a traditional parmy in a burger served with lettuce. It's not fancy, it just works.

Tropic Thunder
Buttermilk marinated chicken breast, deep fried & served on a brioche bun with lettuce, American cheese, pineapple, beetroot & BBQ mayo. So Good
